Membership Chair Role at ORS**

1. Your goal is to motivate the audience to share why they should invite or encourage family and friends to join Rotary and what works to engage members in club activities during the small group breakout sessions.
2. Please introduce yourself and your Membership Committee. (We are encouraging everyone to focus on “stories” instead of numbers. Please do not prepare slides or give Membership reports.)
3. Please tell your “story”~”Why did **you** join Rotary?” or “Why do **you** encourage others to join Rotary?” or “Why you are a Rotarian?””
4. Please call on 1 or 2 Rotarians or Rotaractors to briefly (1 or 2 minutes) tell their stories~why they have invited a friend or coworker to attend a Rotary meeting or why they are in Rotary or Rotaract. If possible, contact these speakers before the ORS and ask them to be prepared to “tell their stories.” Another option is to have someone share a membership drive/promotion that was successful for their Club. Please contact them before the ORS so they are prepared to share their story in two or three minutes.
